## Annexure-B

### RCML commences a new hospital at Central Hyderabad, Himayat Nagar, Hyderabad

- Newly commissioned hospital will provide consultant led 24X7 emergency care in pediatrics and obstetrics, outpatient services and level 3 Neonatal and Pediatric intensive care services
- This hospital will further strengthen company's Hub and Spoke network at Hyderabad. With this new hospital, Rainbow will have combined 890 beds at Hyderabad

**Hyderabad, January 04, 2024:** Rainbow Children's Medicare Limited (RCML), India's leading pediatric multi-specialty hospital chain announced the commencement of its latest hospital, with 60 beds, at Central Hyderabad, Himayat Nagar, Hyderabad. This is Rainbow's 8<sup>th</sup> hospital in Hyderabad and is strategically located in the densely populated and commercially important area of central Hyderabad. This will further strengthen company's presence with combined 890 beds in the city. The new hospital has been envisaged as a spoke hospital and will form an important part of the Rainbow's Hub and Spoke network in Hyderabad. This hospital will provide comprehensive pediatric and obstetrics services, which includes consultant led 24X7 emergency care in pediatrics and obstetrics, outpatient services and level 3 neonatal and pediatric intensive care services.

RCML is working incessantly to strengthen its service offerings to achieve its goal of providing quality pediatric healthcare across cities. The company's plan to add ~1000 beds in the cities of Hyderabad, Bengaluru, Chennai, National Capital Region and Tier-2 cities of Andhra Pradesh and Tamil Nadu over the next 5 years remains on track.

*Commenting on the development, Dr. Ramesh Kancharla, Chairman and Managing Director, Rainbow Children's Medicare Limited (RCML) said, "We are extremely happy to present this modern facility, which will provide excellent medical care for women and children in densely populated area of central Hyderabad. This hospital is meticulously designed with careful segregated area for women and children to provide high quality 24X7 consultant led services. I am sure this addition will further augment our hub and spoke model to provide wider coverage and better access to the city. This hospital will become an important spoke hospital to complement our Hub hospital at Banjara Hills, which is already ranked as a premier hospital for pediatrics in the city of Hyderabad and only pediatrics' hospital in country to receive JCI accreditation."*

## About Rainbow Children's Hospitals:

---

Rainbow network comprises of 17 hospitals and 3 clinics in 6 cities, with a total bed capacity of 1,715 beds. Our Pediatric services under "Rainbow Children's Hospital" include newborn and pediatric intensive care, pediatric multi-specialty services, pediatric quaternary care (including organ transplantation); whereas our women care services under "Birthright by Rainbow" offers perinatal care services which includes normal and complex obstetric care, multi-disciplinary fetal care, perinatal genetic and fertility care along with gynecology services.

Rainbow Children's hospital built on strong fundamentals of multidisciplinary approach with a full-time consultant led clinical service along with 24/7 commitment in a child centric environment. The company follows a hub-and-spoke operating model where the hub hospital provides comprehensive outpatient, inpatient care, with a focus on tertiary and quaternary services while the spokes provide emergency care in pediatrics and obstetrics, large outpatient services and comprehensive obstetrics, pediatric and level 3 NICU services. This model is successfully operational at Hyderabad and is gaining traction in Bengaluru. The endeavor is to replicate this approach in Chennai and across the National Capital Region. Subsequently Rainbow intends to expand into tier-2 cities of Southern India.

Rainbow embraces a unique doctor engagement model, where doctors work exclusively on a full-time, retainer basis. The doctors work in teams and have 24/7 commitment, which is particularly important for children's emergency, neonatal, pediatric intensive care services and to support pediatric retrieval services. The Company also operates the country's largest pediatric DNB training programme in private healthcare, offering post graduate residential DNB and fellowship programme.
