RCML commences 80 beds state of art spoke hospital at Anna Nagar, Chennai

Hyderabad, March 1, 2024: Rainbow Children's Medicare Limited (RCML), popularly known as Rainbow Children's Hospital, India's leading Pediatric multi-specialty hospital chain announces the launch of its new state-of-art 80 beds spoke hospital at Anna Nagar, Chennai.

Anna Nagar is a well-developed locality in north-west Chennai with an excellent social infrastructure and good connectivity to IT Parks and commercial complexes through public transport and major arterial roads. This upscale region serves as preferred residential location for young professionals and families in north-west Chennai.

This is Rainbow Children's Hospital's 3rd pediatric specialty hospital with integrated perinatal care in Chennai. With this development, the company is further strengthening its presence in Chennai reaching a cumulative bed strength of 270 beds.

The hospital in Anna Nagar is designed to be a significant spoke hospital playing a crucial role in Rainbow's network in Chennai. This hospital will provide comprehensive pediatric and obstetrics services, which includes 24X7 consultant led emergency care in pediatrics and obstetrics, outpatient services and level 3 Neonatal and Pediatric intensive care services. Further this hospital would provide the complete fertility services for the people of Chennai and complement the services offered at the Hub hospital at Guindy.

RCML is tirelessly enhancing its services to meet its objective of providing quality pediatric healthcare. With the addition of the hospital at Anna Nagar, the company has commissioned 385 beds across Hyderabad, Chennai and Bengaluru, of the 1,000 beds that were envisaged in the business plan and guided during the IPO. This demonstrates the company's ability to execute projects on time and its commitment to execute and commence the remaining beds/projects on time.

With addition of hospital at Anna Nagar, Rainbow has fortified its position as premier pediatric multispecialty hospital in the country with total 19 hospitals and 1,885 beds.

Commenting on the development, Dr. Ramesh Kancharla, Chairman & Managing Director, Rainbow Children's Medicare Limited (RCML) said, "With the addition of our hospital at Anna Nagar, Rainbow Children's Hospital has strengthened its presence with a 3rd hospital in Chennai. In keeping with the brand ethos, the facility has been designed with child centric environment and soothing interiors to make it appealing to children. This hospital will further augment our hub and spoke model to provide wider coverage, better access and offer superior care for children and women in the city."

About Rainbow Children's Hospital:

Rainbow network comprises of 19 hospitals and 3 clinics across 6 cities, with a total bed capacity of 1,885 beds. Our Pediatric services under "Rainbow Children's Hospital" include newborn and pediatric intensive care, pediatric multi-specialty services, pediatric quaternary care (including organ transplantation); whereas our women care services under "Birthright by Rainbow" offers perinatal care services which includes normal and complex obstetric care, multi-disciplinary fetal care, perinatal genetic and fertility care along with gynecology services.

Rainbow Children's hospital built on strong fundamentals of multidisciplinary approach with a full-time consultant led clinical service along with 24/7 commitment in a child centric environment. The company follows a hub-and-spoke operating model where the hub hospital provides comprehensive outpatient, inpatient care, with a focus on tertiary and quaternary services and the spokes provide primary, secondary and emergency care in pediatrics and obstetrics, large outpatient services and comprehensive obstetrics, pediatric and level 3 NICU services. This model is successfully operational at Hyderabad and is gaining traction in Bengaluru. The endeavor is to replicate this approach in Chennai and across the National Capital Region. Subsequently Rainbow intends to expand into tier-2 cities of Southern India.

Rainbow embraces a unique doctor engagement model, where doctors work exclusively on a full-time, retainer basis. The doctors work in teams and have 24/7 commitment, which is particularly important for children's emergency, neonatal, pediatric intensive care services and to support pediatric retrieval services. The Company also operates the country's largest pediatric DNB training programme in private healthcare, offering post graduate residential DNB and fellowship programme.
